RE: **Warning Letter**  
FPPC Case No. 090503

Dear Mr. Friedman:

The Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act (the "Act") found in Government Code Section 81000, and following. The Act requires that committees file campaign statements at periodic intervals. This letter is to inform you that you failed to comply with the campaign reporting requirements when you contributed in 2006 \$20,000 to the Stop the Reiner Initiative-No on 82 Committee, and \$10,000 to the Committee to Reform LA-Yes on Prop R.

Section 82013, subdivision (c), defines one type of committee, commonly referred to as a major donor committee, as any person who makes contributions totaling \$10,000. The Act requires that a committee file a Late Contribution Report (LCR), Form 497, disclosing any contributions of \$1,000 or more made to support or oppose a candidate, ballot measure, or state political party during the "late reporting period," the 16 days prior to the election in which the candidate or measure is on the ballot. The LCR must be filed by the committee within 24 hours of making the contribution and filed at every location that the committee is required to file its regular campaign statements. (Section 84203.)

Since your contributions occurred during the "late reporting period," you were required to file an LCR within 24 hours of making each contribution. Accordingly, your failure to file the LCR's was a violation of the Act. To fulfill these filing requirements, you must immediately file an LCR with the Secretary of State, the Registrar-Recorder of Los Angeles County, and the Department of Elections of the City and County of San Francisco.

Although you violated the Act, we are closing this matter with a written warning to you. However, the information in this matter will be retained and may be considered should an enforcement action become necessary based on future conduct or newly discovered information.
